# Charm of FEMININE BEAUTY

Fashion is a language some know it, some learn it  
some never will like an instinct. I dress for the image  
not for myself, not for the public, not for  
fashion, not for men.

& BEAUTY

Fashion should be stylish & fun. I still appreciate individuality  
style is much more interesting than fashion really in groups.

These looks, like all the things you wear, are the best because they're made for you. Through every season, your style is the one that stays. To my friend, you are not just a girl, you are a woman. You are beautiful. Always.
