PARADISE

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were carved from desire, and so too their dresses...which are a source of great envy to all those who don't possess them.

of the sands

Little girls around the world cut out her pictures, from newspapers, in magazines, to posters and pin them on their walls, or saving one day to be as graceful as flowers, or to hold her in their arms, and then dream of emulating her someday. She's their guide, their joy, their source of inspiration.
