

Red

Chiffon  
x  
Pitta work

A hand is shown holding a piece of red chiffon fabric. The fabric is heavily embellished with intricate gold and white threadwork, known as Pitta work. The design features a dense pattern of small, circular motifs, possibly floral or geometric, arranged in a somewhat symmetrical, fan-like shape. The fabric is set against a soft, white, fur-like background. The word 'Raani' is printed in the top right corner, and 'Chiffon x Pitta work' is written in the bottom left corner.
